Antique Original White Painted Hostess Stand Standing Desk from Sweden

Beautiful details abound in this lovely original painted standing desk from Sweden. The carved swag, flourishes and dentil molding gracefully accent the slanted desk/writing/reading surface while all raised on slender tall legs. The interior is painted a contrasting black, with 4 small drawers and storage area. Please enlarge the photos to appreciate the aged white painted finish, distressed through generations of use giving it a slight dove gray cast. Restored and ready for use, this will make the perfect hostess stand, reception desk or unique display for a special book.
