Antique White Painted Writing Table Console Table With Faux Marble Top from Sweden

This lovely antique revival writing table will serve well as a large console table in today's home. The newer applied professional white painted finish shows off the X shaped stretcher and impressive barley twist legs. Examine the close up photos to appreciate the layers of white, gray, and even soft blue hue in the beautiful legs. The top has been painted with a traditional faux marble motif in a light taupe shade; note the curved edge along the front and straight back. This table is restored, sturdy and ready to be used and enjoyed. Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this lovely piece.
