Pair, Mid 20th Century Cast Iron Planting Urns Resting on Square Plinth

This pair of generous sized cast iron urns resting on a square plinth have been sand-blasted, resulting in an attractive metallic finish. Note the wide and shallow shape of the planter bowl with an egg and dart decorative detail. The plinth features a traditional laurel wreath with ribbon design. In solid condition ready for use, wear is consistent with age and use outdoors. Base: 17.5" wide by 18" deep.
