Antique Rococo Gray Painted Side Table, Italy circa 1890

This rococo pine table has dramatic cabriolet legs and heavily carved flourishes that embellish the scalloped skirt. The gray painted finish is lightly distressed adding to the aged grace of this striking accent table. The top is painted in traditional faux marble in gray tones as well. Restored, this table is strong, stable and ready for use. Note, it is also quite heavy for its size.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this elegant Italian table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Floor to skirt height: 24"
