Rustic Plank Wood Coffee Table from Hungary circa 1900's

Rustic wood coffee table with squared splay legs and loaded with vintage character.

The thick top is made from three planks which are covered in scrapes, deep gouges, old cracks and stains acquired with over 100 years of use as a work table. Typical age-related separation between the planks.

The wood has been left raw and natural, and rests upon four original splay peg legs. Restored, this coffee table is strong, sturdy and ready for daily use.
