Gray Gustavian Pine Sideboard Buffet, Sweden circa 1860-80

Tall Swedish Gustavian gray painted pine sideboard with attractive curved sides and traditional fluted diamond details.

The curved long cabinet doors and drawers make this cabinet a special find.

The later applied gray painted finish is lightly distressed to compliment the age and grace of this buffet.

Restored, this cabinet is strong, stable and ready to be used and enjoyed. Locks no longer function, a key is included to use as pull.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely buffet.

Please refer to professional photos for clear understanding of (gray) color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
