Pine Two Door Armoire, Denmark circa 1880

It is the captivating patina of the warm pine that captures one's attention in this lovely armoire.

Note the two lower drawers and red painted interior. Upper decorative crown is easy removed for shipping and if client desires a more simple overall look.

The keys serve best as pulls since locks do not fully function, left door is secured with interior latches.

Restored, waxed, strong, stable and ready to use.

All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the beauty nor function of this lovely armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
