Stone Top Side Table Small Console Table, Sweden circa 1800-40

Swedish console table with stunning stone top resting on heavy baroque legs. Please refer to the close up photos to appreciate the natural beauty of the stone top.

Restored, the strong table base is painted with a newer white finish, distressed throughout to fit the age and character of this console.

All scratches, cracks, nicks, etc. are commensurate with age and do not detract from the beauty nor function of this striking table which is ready to be used and enjoyed.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
