Rustic Farmhouse Trestle Base Pine Coffee Table, Sweden circa 1890

Rustic farmhouse pine coffee table just under 5' long with trestle style base and loaded with vintage character.

The unique construction with tray style top reveals it likely served for years as a work table before being converted into a coffee table.

Restored and waxed, this coffee table is strong, sturdy and ready to be used and enjoyed.

All scratches, scuffs, stains, cracks, and age related separation (see top) are reflective of age and do not detract from the appeal nor function of this rustic coffee table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
