Black Painted Two Door Pine Armoire, Denmark circa 1830-50

This 6' tall pine armoire has been given new life with a recent black painted finish. The finish is lightly distressed to accent the details of the fluted carving along doors and sides, adding dimension and character. There are two lower drawers and the entire armoire rests on fluted turned feet along the front.

Lock functions on right door with one key included.

Hanging rod above (with hooks) allows for interior storage.

Interior depth 15.5"

Restored. All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this pine armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
