Antique 18th Century Arched Oak Cabinet With Barley Twist Legs

This stately oak cabinet from Denmark stands on four barley twist legs that raise the cabinet while adding visual intrigue. The oak cabinet itself is curved, with a heavily paneled crown creating great "presence." This unique piece is being sold as is, in used original condition (solid /stable) as we found it in Europe. You are welcome to contact us for more information regarding this or other items in our inventory.
