## Pair of Antique 19th Century Paneled Interior Doors Painted Green

These pine doors each have three raised panels, with the original latch and hinges. Like most pairs of old interior doors, these could be mounted as two sliding doors or connected to create one large one.

This item is part of our “un-restored” collection. Our antiques arrive from Europe in warehouse condition. Before shipping or leaving our store, they all go through our professional workshop to assure they are strong, clean, ready for use and with an appropriate finish. Upon restoration, this item will be re-listed with multiple photos including close ups of the finish. You are welcome to call us directly if you would like to learn more about this or other items, we will be happy to assist you further.
