Original Small Oil Painting of Woman On A Summer Day, unsigned

This lovely original oil painting portrays an elegant young woman on a summer day in the country. Look closely as she appears to have a small dog companion at her side. While the painter is unknown, this small painting has been delightfully executed and brings a touch of simple joy and contentment to the viewer. Original oil on canvas later laid on board with minor retouches/repairs with few minimal scratches; frame shows typical age-related wear as well.
