Antique Original Painted Pine Swedish Gustavian Sideboard Buffet, Circa 1820-40

It is the original painted finish which has been scraped that brings out the warm patina of the pine in this lovely Gustavian sideboard from Sweden.

The original green painted top provides a pop of color and great contrast to the base below.

The carved diamond motif in the 2 functioning drawers were a traditional element in Swedish country furniture from this era.

Restored, strong and stable this sideboard is ready for use. One key included (old lock still functions).

Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this lovely piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
