Antique White Painted Small Cabinet Nightstand from Sweden, circa 1880

Small Swedish country white painted nightstand or side table standing on fluted tapered feet.

Traditional diamond motif on single panel door which opens to reveal an interior drawer and shelf.

Newer professionally applied white painted finish gently distressed to fit the age of this charming pine accent piece.

Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
