Gustavian White Painted Side Table With Drawer, Sweden circa 1820-40

The delicate curved cabriolet legs and decorative carved skirt add a romantic touch to this charming gustavian side table with single drawer.

The newer, professionally applied layered white painted finish has been lightly distressed to fit the age and grace of this pine accent table.

Restored, stable and drawer functions.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
