Black and Gold Eagle Console Table, Sweden circa 1830

Dramatic eagle head carving in shape of harp form the base of this Neoclassical console table from Sweden. The gold painted central carved column is complimented by the black painted top and lower base.

Restored, strong/stable. Any scratches, cracks, dings (see photo of top), distress or age related separation are reflective of age and do not detract from the beauty nor function of this special accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
