White Sideboard Cabinet from Sweden, circa 1860-80

Gustavian small pine sideboard with traditional decorative fluted panels on cabinet doors, two small upper drawers with fluted diamond detail. The newer, professionally applied white exterior is slightly distressed, fitting the age and grace of this lovely piece. Restored, strong and stable. Two keys included to open door and upper drawers. Any nicks, scratches, age-related separation, signs of wear are reflective of generations of use and do not impact function of this Swedish cabinet. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
