Pair, Gray Painted Gustavian Chest of Drawers, Sweden circa 1840-60

A pair of decorative Gustavian pine chest of drawers painted in mottled shades of gray and plum.

Canted fluted side posts with unique arrow carving at top, dentil molding, and fluted drawers with circular panel in middle all raised on four tapered feet.

The newer, professionally applied paint reveals layers of gray, plum and white creating an alluring finish, all perfectly distressed to fit the age and grace of this stunning pair of Gustavian chests which will also serve well as nightstands.

Restored and ready for use, drawers function and open with two brass pulls each.

Any nicks, scratches, cracks, distress etc. is reflective of age and use and does not detract from the function nor elegant appeal of this striking pair of chests which may also serve as nightstands.

Please refer to professional photos to clearly understand finish, details, condition, etc.
