Original Green Painted Flat Top Trunk, Austria dated 1808

The charm of this original painted trunk comes from the simplistic landscape painting that still graces the front, even after 200 years of use.

Please enlarge photos to appreciate the painted panels, colors (primarily green with blue undertones), dovetail joints and date of 1808.

This pine trunk has been restored and waxed, bringing out the warmth and aged patina of the paint and pine.

Key included; lock no longer functions.

Typical signs of wear after generations of use include scratches, nicks, aged separation (see top), minor cracks, etc, all of which add to the authentic vintage appeal of this delightful large flat top trunk which rests on raised bun feet.

It is solid, stable and ready to be used and enjoyed.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
