Large Black Painted Carved Oak Mirror with Cherubs, France circa 1900-20

Large and impressive carved oak mirror with cherub/putti faces with wings in addition to other elaborate carved flourishes throughout.

This mirror is just under 6' tall and has been given a newer custom black painted finish, gently rubbed out to compliment the carving and age of this dramatic mirror. Strong, sturdy and ready to hang. Note, this large oak mirror is very heavy. Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this stunning mirror.
