Rustic Painted Work Table Kitchen Island with Two Drawers, Hungary circa 1890

Rustic work table with two drawers and lower stretcher base with six legs. Original purple and green painted finish show extensive distress and wear down to the natural pine below.

This heavily used table reflects generations of use in every gouge, nick, scratch, hole, stain and crack. Typical aged separation of planks seen in the contrasting pine top. Nicks to drawer corners, etc.

This 7.5' work table may also serve as a kitchen island (could be raised up on casters, etc.).

Restored, strong and stable this table is ready to be used. Wax finish.
