White Painted Small Cabinet or Sheet Music Cabinet, Sweden circa 1860-80

Small Swedish country antique white painted nightstand or side table standing on fluted tapered feet. May have served as a music cabinet to store sheet music. Slightly raised diamond motif on front panel door and sides. Gentle distressing to the painted finish adds to the character and aged grace to the cabinet. Interior reveals 5 shelves. Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful piece. Lock functions with one key included. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
