Pair, White Painted Nightstands, Sweden circa 1880

Pair, small Swedish country Gustavian style white painted nightstands or small cabinets standing on tapered feet. Canted sides have simple fluted carving topped with floral medallion. Newer professionally applied exterior white painted finish is gently distressed to fit the age of this charming pair. Key/lock function to cabinet doors. Restored, strong and stable. Any old nicks, scratches, cracks, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful pair of pine nightstands. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
