Gold and Blue Painted Trumeau Mirror, Sweden circa 1860-80

Lovely trumeau mirror with upper applied carved swag and lower Greek key pattern. At 3.5' tall, its size allows it to be displayed in a wide variety of spaces.

Restored, later professionally painted in layered shades of muted gold and blue (with faint touches of red and white undertones) all lightly distressed revealing the natural oak below to fit the age and grace of this attractive mirror.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this special find.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
