## Round Narra Wood Pedestal Table, Philippines circa 1840-60

This pedestal table is a wonderful example of Spanish colonial design. The stunning top is made from a single piece of Narra wood and rests on decoratively carved tripod legs.

This pedestal side table is just under 4' round, is restored, solid and stable ready for use.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
