Baroque White Painted Armoire, Sweden circa 1780-1800

Impressive oak baroque armoire that dates from the late 1700's into early 1800's. Note the heavily paneled doors, massive crown all resting on large bun feet.

Restored, later professionally painted in layered shades of antique white and light gray; all lightly distressed to fit the age of this stately armoire.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this large oak armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
