

## Pair, Small Bronze Statues of Hunters, Denmark circa 1900

Pair of sculptures of two hunters in the field. The gentleman hunter has rifle and dog on leash while his country assistant has rifle and what appears to be a deer at his feet.

Bronze finish shows age related wear including tarnish, small nicks, minor crackles, etc. No makers mark.

Any scratches, cracks, dings, or age related staining are reflective of age and do not detract from the beauty nor function of this pair.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
