Swedish Pine Bench with Storage, circa 1840

The years of use have deepened the warm patina of the pine, aging gracefully through the years. The decorative carving along the back and arms add to its appeal.

Notice the seat is hinged, creating great storage space for items that need to be discretely tucked away.

Restored, strong and stable. The wax finish brings out the warm patina of the aged wood.

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely pine Swedish bench.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Seat Height: 18.25"
