Large 5' Round White Painted Pedestal Table, Sweden circa 1920

This large round pedestal 5' table has a decorative carved skirt and dramatic pedestal base resting on four carved lion's paw feet.

Restored, later professionally painted in white and lightly distressed to fit the age and grace of this impressive table.

It is unusual to find a pedestal table of this large size and era from Sweden.

All scratches, cracks, dings, and age related separation are reflective of age and do not detract from the beauty nor function of this versatile pedestal table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
