White Painted Large Italian Buffet Sideboard, circa 1960

Impressive Italian painted oak sideboard with attractive concave curved end doors and decorative carved feet.

The newer professionally applied marbled and muted antique white painted finish beautifully compliments the age and grace of this beautiful buffet. Please enlarge photos to appreciate the layers of color and textured effect. Contrasting mottled black painted top.

Restored, this sideboard is strong, stable and ready to be used and enjoyed. 4 Keys are included, only one does not fully lock (so key used as pull).

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely 8.5' long buffet.

Please refer to professional photos for clear understanding of (gray) color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
