Pair, White Painted Gustavian Style Armchairs, Sweden circa 1900's

Pair, Swedish white painted armchairs with carved details along edges, top of back and bottom of seat; turned fluted legs.

The newer, professionally applied antique white painted finish is typical of the 1900's era in Sweden. It has been distressed to reveal layers of color/distress fitting the age and graceful appeal of this pair.

Simple linen upholstery on back and seat with deconstructed look and feel; staples and stitched seams visible throughout. Can easily be re-upholstered at discretion of buyer.

Chairs frames are solid, stable and ready to be re-upholstered.

Seat H: 17"

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely pair.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
