White Painted Chest of Three Drawers, Sweden circa 1770

The enticing curves of the drawers and cabriolet feet create the strong visual appeal in this pine chest of three drawers. Restored, the white painted finish has been scraped throughout to fit the age and grace of this lovely dresser.

All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely chest of drawers.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
