Pair, White Painted Small Chest of Drawers Nightstands, France Circa 1920

Pair, Provincial style small pine chest of three drawers perfect to use as nightstands or small side tables at only 17.25" wide. Standing on cabriole legs, the three drawers have a paneled front with no pulls. The newer, professionally applied antique white layered painted finish has been gently distressed, complimenting the age and grace of these lovely chest of drawers. All scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this delightful pair.
